

EU Resource 2

The European Union: What do I know and what do I think?

I already knew that

I was surprise to learn that

I didn't realise that (name of country) was a member

I have found out that (name of country) is much nearer to (name of country) than I first thought

I didn't realise that (name of country) joined the EU in

However I did know that (name of country) joined the EU because

The most surprising thing that I have learnt from the map is

I now want to find out more about(name of country) because
